HOW TO JOIN

Log into Booth Groups in the Fall and sign-up online. We can't wait to have you join us!

Anything you're interested in that we don't currently offer? Let us know! We want to make this as beneficial of a membership for you as possible.

WHO WE ARE

The Booth Analytics Club's mission is to:

- Educate members on modern business analytics technologies and methods
- Facilitate transfer of technical skills and sharing of management experience
- Offer guidance on academic and professional resources in data analytics
- Bring data analytics career opportunities by promoting the Chicago quantitative tradition in the data age
- Connect data-driven business ideas and members with data analytics skills

OUR PROGRAMMING

SPEAKERS

Come hear from professors, practitioners, and peers about interesting concepts and developments in modern business analytics.

WORKSHOPS

We want to help prepare you for Booth and beyond by providing workshops to sharpen up your existing analytics toolkit and introduce you to new skills. We run workshops around:

- SQL
- R
- Python
- Data Visualization (including Tableau)
- Excel

CAREER OPPORTUNITIES

We want to connect you with opportunities in business analytics and support you in your search. Join us for panels, office visits, and more.

SOCIALS

Join us for our quarterly socials! We'd love to get to know you and your analytical interests better over a round of frosty beverages.
